

I'm serving a widow to fund an adoption...

# WILL YOU SPONSOR ME?

On June 8th, we will serve a widow in our community by renovating Ms. Tawnya's home at no cost to her. Supplies have been gathered and we have a team of volunteers ready to do the work. Now we need sponsorship for our day of service. Every donation received will help the Ariosas bring their adopted baby home!

Ryan & Missy, along with their son Gage & pup Finnegan, continue to grow their family through adoption! Their journey to parenthood was wrought with years of loss prior to adopting Gage, but he quickly filled their hearts with joy beyond measure. Two years later they were surprised & thrilled to learn that Gage's birth mom was having another baby & wanted them to keep these precious siblings together. They have been blessed with a matching grant totaling \$4,000, meaning all donations up to that amount will be doubled!

Ryan and Missy have been approved to adopt Gage's biological sibling who is due on August 11, 2024. This baby is facing very challenging circumstances and NICU time is anticipated. The estimated cost of this adoption is \$72,500 plus travel and hospital fees. Ryan and Missy both work full-time in education and healthcare and have taken loans to cover nearly half of these expenses. Your help in funding this project would be greatly appreciated!

Early in Tawnya and her husband, Cliff's relationship, they lost their 2-year-old son to cancer. At age 49 Tawnya lost Cliff after a prolonged illness from complications of COVID. Tawnya would like to honor his memory by transforming their home into a sanctuary of comfort and love. Tawnya works full time at the hospital and despite the grief she bears, she unreservedly offers love and compassion to others on a daily basis.

**\*\*DONATIONS WILL BE MATCHED UP TO \$4,000!!\*\***
